ss. AFFIDAVIT OF THOMAS A. PERZICHILLI

Thomas A. Perzichilli, being duly sworn, deposes and states as follows:

1. I am currently employed with Federal Bureau of Investigation and have been so employed for seven years. I am assigned to the Minneapolis Division where I investigate, among other things, violent crimes, including threats to injure or kill federal agents.

2. This Affidavit is based on your Affiant's training, experience, personal knowledge, discussions with other law enforcement officers and agents directly involved in this investigation, and my review of official reports and documents related to this investigation.

3. This Affidavit is made for the purpose of establishing probable cause in support of a criminal complaint and federal arrest warrant, and therefore contains only a summary of relevant facts. Based upon all the facts and information set forth in this Affidavit, your Affiant believes that probable cause exists to believe that, on or about October 19, 2010, in Carver and Hennepin Counties, Minnesota, in the State and District of Minnesota, Kim Rolene Hutterer ("Hutterer") mailed and caused to be mailed a letter to the FBI office in Minneapolis, Minnesota threatening, among other things, to kill FBI Special Agent Dean Scheidler, among

others, in violation of Title 18, United States Code, Section 876(c).

4. In 1991, Hutterer was arrested by Special Agent Scheidler in connection with a federal investigation into Hutterer threatening to bomb an aircraft. Hutterer was convicted by a jury of making a false bomb threat concerning a Northwest Airlines passenger plane pursuant to 18 U.S.C. 35(b). While awaiting trial, Hutterer carved into the wall of her cell a threat to Special Agent Scheidler stating "Death to Scheidler."

5. Since that time, Hutterer has embarked on a letter, telephone and text messaging campaign aimed at harassing, threatening, and, ultimately, killing Special Agent Scheidler and others. Hutterer has called Special Agent Scheidler at his home and work and on his cellular telephone threatening him. She has mailed letters to Special Agent Scheidler threatening to harm him and his family. She has written letters to others containing threats to injure and kill Special Agent Scheidler, and others. She has sent to Special Agent Scheidler's cellular telephone text messages threatening him and his family.

6. On October 19, 2010, Hutterer deposited in an authorized depository for mail at the Carver County Jail in Chaska, Minnesota, a letter to be delivered by the Postal Service to the "FBI-Minneapolis" office addressed to the "Agent in Charge." In this eleven-page, hand-written letter from Hutterer, containing five

additional pages of drawings, Hutterer threatens to injure and kill Special Agent Scheidler, and others. A redacted copy of this letter is attached hereto as Exhibit A and incorporated herein by reference.

7. The following are quotes from the above-referenced letter pertaining to Special Agent Scheidler:

a. Since I got out in June, 2010 from St. Louis County. I had decided that I was going to get even with Dean.

b. I would slowly cut skin off his body. Making small cuts to slowly allow the blood to drop out. I would cut his eyelids off. Break each of his figures. Cut his palms open.

c. One thing for sure, I will never give up going after FBI Special Agent Dean Scheidler. If it means waiting until I am done, with state charges here right now in Carver. Or have a plan to leave on parole from prison, if I get convicted on the felony charge. I will never leave Dean Scheidler alone until I kill him . . . Life will be hard on Scheidler as I know how to find people without a problem. I know Dean Scheidler does not live to far away from Carver County.

d. Just to let ya know this is only temporary until the time is done for Carver Cty. Then this little bird will be free to track down Dean Scheidler and maybe his family - but I want Dean for myself and no one else can have him.

e. I have a plan if I have to be in prison to get out and hunt Dean Scheidler down. No one can stop me until I am dead - I might end up having Dean shot me instead to stop me from killing him.

8. One of the drawings attached to the letter is of a dagger on which the following is written, "To FBI Death to Special Agent Dean A Scheidler." Blood is shown dripping from the dagger.

9. In addition to the threats to injure and kill Special Agent Scheidler, in the above-referenced letter and in other communications, Hutterer has threatened to kidnap a child. On September 22, 2010, Hutterer called a doctor in New Prague and left a voice mail message in which she states that "ransom will be held for someone." Several days later, Hutterer called Special Agent Scheidler on his cellular telephone and left several voice mail messages stating that a child would disappear. Hutterer left a second voice mail message for the doctor in New Prague stating "A kid will be kidnapped and asked for ransom."

10. On September 28, 2010, Hutterer provided a statement to the police wherein she admitted that she planned to kidnap a child for ransom. Details of that plan were relayed to the police. These same details are set forth in the above-referenced letter, dated October 19, 2010 and attached hereto as Exhibit A.

11. On March 25, 2011, Hutterer was released from state custody at which time she continued her threats toward Special

Agent Scheidler and others. For example, on March 25 and 26, 2011, Hutterer called Special Agent Scheidler's home and cellular telephones. Special Agent Scheidler answered one of these calls, immediately recognized the voice as that of Hutterer and hung up.

12. On March 26, 2011, Hutterer left a voice mail message on Special Agent Scheidler's cellular telephone indicating that she knew his birth date, his wife's name and the date of their marriage, his children's names and their birth dates. Hutterer reiterated this information in a text message to Special Agent Scheidler on March 26, 2011.

13. Later, on March 26, 2011, Hutterer sent Special Agent Scheidler a text message asking him if he knew where Hutterer was, indicating that she was not in "new prague, carver, le sueur, or even the cities." She continued saying "try to find me before i find you to have some fun with you"

14. Finally, on March 27, 2011, Hutterer sent a series of text messages threatening damage to a federal facility, "There might be damage to a fed building soon." "Maybe it might your fed place. remember that i hate the government." "When some happens, just maybe the whole federal building will have most employees there."

15. Based on these facts, your Affiant has reason to believe that the defendant, Kim Rolene Hutterer, has knowingly deposited in an authorized depository for mail matter, to be sent and delivered

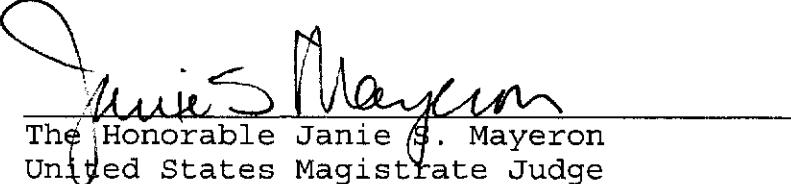

by the Postal Service, and caused to be delivered by the Postal Service according to the direction thereon, a communication addressed to another person and containing a threat to kidnap a person and a threat to injure the person of another, that is, a Federal law enforcement officer, among others, in violation of Title 18, United States Code, Section 876(c).

Further Your Affiant Sayeth Not.

Thomas A. Perzichilli, Special Agent
Federal Bureau of Investigation

To Agent in charge:

10-19-10

The Following is from 2008^{+ before} to Current.

First, I found out where Blaine Patterson had transfer from A Prison in Nevada as Senior Correctional officer to FDC Honolulu back in 2005. Patterson had called my home in Chisholm, MN, after he received a letter from me, IN June 2005: IN North Las Vegas.

I CALLED Honolulu in 2007, after I had found his home address on website www.ZABAsearch.com. After, I got the address, I Started Calling Patterson at work, he gave his address again. The Address WAS 55 Kukui Street South; Honolulu, HI 93618 IN 2007, I Moved to Soudan, MN and was Calling to FDC Honolulu I WAS able to figure out the Straight Number to CAPT. DRYER & LT.'s office. [REDACTED] CAPT.,

[REDACTED] is Ass't Warden's, [REDACTED] Computer Services, [REDACTED] I THINK WAS Emergency Services. Some of these Numbers I have left threatening messages. Plus threaten those who answer

Plus I did talk to a Correctional officer in the Control Room when making calls, Said I WAS Scotti from Texas. Said I would Blow up FDC Honolulu - even at the Airport area. I do know how to make a bomb. At one point in 2008, 2009 - I Started to threaten Lt. Moore to Kill him. LT. Oddsea?

Moore was involved with Conservation with Patterson. I was Planning on Paying Patterson

(2) Money for the time I was in Federal Prison
1991 & 1994 - I met Patterson August 1992 to
October 1992, before being shipped again.

While in Dublin - Patterson kind off took me
under his wing. During my stay Patterson
got a little to close to me.

I did not report him about him crossing the
line with me. He asked me questions like
"Do you currently have a boy friend while you
are doing time?" I said, "No". Patterson asked,
"Do you plan on having a boyfriend when you get
out? I reply, "I don't have any plans, a person
Never Knows." While he was asking me
questions he gave me a cigarette to smoke
while I was housed in Shu in Dublin, CA. ^{outside Rec}

Patterson told me himself, that he had been

Married for 5 yrs and his wife didn't want kids.

So, Patterson was going to divorce her. Plus he
was in the Marine Corps Reserve as a Sgt.

Patterson Served in Desert Storm in 1991.

Patterson asked me, "how many kids would you
like to have, as I want a big family."

I said, "Around 6 or whatever I would
have."

The last night, I was in Dublin, Patterson & I
packed my stuff to be shipped to Marianna Max. in
Florida. I asked to take a shower and a razor.
Patterson said, "Okay." I waited for the razor, he said
he would bring it to me. So, I waited in Shower
Dressing area for about 5-6 mins. I decided to get
in the shower. Finally about 3-4 mins later, Patterson

③

Came into the Shower area, open door to give me the RAZOR. He didn't shut the door right away. He looked over my body for about 2 mins and closed the Shower Door.

After the Shower, I got out & dried off & dress. Came out of Shower Dressing area, Patterson was standing across from the door. I looked at him from head to toe - I noticed he had an erection happening. We smiled at each other, and finally he said I had to go back to my cell. I Put my stuff in the shipping box.

The whole time out of my cell, I was not handcuffed by Patterson. Anytime, Patterson escorted me to Medical or Disciplinary Hearings I was not cuffed. He + I had a trust - I respected Patterson but I also fear him. I wrote this part, cause I know Correctional officers are not to share information about family/personal life or give an inmate anything.

We made a promise, after, I got off Paper for Syrs I could contact Patterson.

Patterson has been receiving mail from me since 2005. I was clean on obeying the law. Now, would have been the time for him to kick my ass.

Since, Patterson, wasn't returning calls, letters, I started to call Honolulu and I did threaten to kill him and blow up the FDC there too. I know what I could have used to do damage to the Building - Steal a truck, have barrels of gasoline and Diesel in back. I would

Leave the truck near the door and start a torch to blow up the truck. I would leave the area I knew when Patterson was working.

Also I called once to the Controlled Room and Patterson was in there. I said "Nothing" But Patterson was pissed off, I think he knew it was me. I did send him a letter, after the fact.

Now that Patterson is at FDC McDowell IN Welch, WV - I'd call [REDACTED] and told them that Lt. Patterson would have his head blow off. This was early Sept. 2010

I also had call the Welch Police Department IN West Virginia at 304-436-3112.

told a guy once that Patterson head would Be Blow off. Plus the Governor of West Virginia would be killed also.

I was planning to go to WV on the road by 10/1/10. By 10/14/10 Patterson would have been hurt or killed as I would have been watching him. His hours were 6AM-2PM in September.

I Kept calling with 2 different Cell Phone in June, July 218 area code + 808 area code. Both of these phones ARE in evidence in Clerver County for the current charge.

Plus with the 808 I was able to call as local to Honolulu. I called U.S. Marshal's office Honolulu threaten to kill 2 different Marshals whom had answer the phone.

⑤ Plus I called the Secret Service Number, DEA
in Honolulu also.

I also called a School in Honolulu
to blow it up too.

I started to call Agent Dean Scheidler at
home, after I found his Name + Number
online. I was able to hear like his daughter
answer the phone several times over the
Summer this year. Plus last Summer from
Soudano.

AT first, in 2007 when I found his
Number, I called to Apologize for what I
had done in 1991 + 1992 while in custody.

We both were friendly on the phone. Dean had
told me that Charlie Shay had Died, so I
could not do anything for Charlie.

Since, I got out in June, 2010 from St. Louis
County, I had decided that I was going
to get even with Dean.

I had talked to Dean on 808 cell phone
when I called him at work. I wanted
to meet with Dean in July when I talked
to him, but we had to have someone else in
the Room. Instead, I sent him another
letter in August. Plus I called him at
home at [REDACTED]. Then I called the
FBI Office and threwno Dean through another
Person. Then on Sept. 24th, I called ASKED for
Dean Scheidler, I was just transfer to his Desk
Phone. His voice mail came on and I WAS able
to get his cell phone [REDACTED] I Started

④ to leave messages of threats + Sexual Advances.

I want to cuff Dean to something and Suck his cock and Fuck him. Then I would pull a knife out after I got DRESS. I would slowly cut skin off his body. Making small cuts to slowly allow the blood to drop out.

I would cut his eyelids off. BREAK EACH of his fingers. Cut his Palms open.

I would make small cuts on Dean's Penis + Balls and watch the blood drip to the floor.

Also Still on my Plans to go after in this life are the following.

Judge Pagliacotti + Judge Florey in Virginia, n.d.

Vice Pres. Joe Biden

Blow up FDC McDowell in Welch, WV

Kill Palmenty while he Running for PRESIDENT

U.S. Marshals in Honolulu, HI

U.S. Marshals in Minneapolis

Go After FDC Honolulu Staff - Lt. Moore, CAPT.
DRYER, ASST. Warden.

Go After Secret Service in Honolulu
and Minneapolis.

I Will target Military BASES here on U.S. States Plus Hickman in Hawaii

I Don't believe in our Country's Government.
I will do anything to help get Rid of the American Military

I will Kill a Federal Government employee
Any where in this country.

I will help the Taliban or Al-quida to Destroy the American way.

NO ONE is immune from me.

⑦ Since the Military went into Iraq First instead of Afghanistan - I have hated our Country. I believe in killing All Americans No matter where they live.

I hope by Thanksgiving and Christmas there will be more bombings here on this land.

One thing for sure I will never give up going after FBI Special Agent Dean Scheidler. IF it means waiting until I am Done, with state charges here Right now in CARVER.

OR have a plan to leave on Parole from Prison if I get Convicted on the Felony Charge.

I will Never leave Dean Scheidler alone until I Kill him or Fuck him.

Life will be hard on Scheidler as I know how to find people without a problem.

I know Dean Scheidler does not live to far away from CARVER County.

Besides Dean was Born August 1964 we are Same Age.

I was told in 1992 on Feb. 14th, when I was sentenced for the 1991 conviction Bomb threat to an aircraft. The Prosecutor Said "Another violent crime in front of Federal could give me life in Prison.

Just to let ya know this is only temporary until the time is done for CARVER Cty. Then this little Bird will be

⑧ FREE to TRICK Down Dean Scheidler and maybe his Family - But I Want Dean for myself and NO one else can have him.

When I get Dean and Done with him I will take his Weapon & Badge And Use it against Others and get others.

I still Plan on Robbing a bank, maybe TCF Since A Person Can Rob them on a Saturday or Sunday. Since They have Branches open on Weekends.

I have a plan if I have to be in prison to get out and hunt Dean Scheidler Down.

No one can stop me until I am Dead - I might end up having Dean Shoot Me instead to Stop Me from killing him.

I Am No longer wanting to be an American - I have always wanted to go to RUSSIA to live - Since I was 7.

Russian Men are More Handsome and Stronger than Americans.

Besides Dean Scheidler to talk to yet, I want to talk to Lt. Blaine G. Patterson at FDC McDowell. May be him beating the hell out of me - Might wake my ass up.

Put Dean + Blaine in a Room with me - without cameras, might be the best to get to straighten me out. Prison does not Scare me. what might Scare me is being Shot, but not Killed. Putting men Counseling will not

③

Stop me, if I were in prison.
OR Put me in Psych Hospital will not
stop me from getting out and looking
for Dean & Blaine to Kill either.

IF Dean Didn't want any Contact
with me - why hasn't he put a Harassment
order against me?

Back in 1991, when I met Dean &
Charlie Stay Down in Cafeteria of the government
Courthouse. I Pulled a knife from my
boot - I Threaten Dean Right across from
me - then, Charlie ASKed to look at
the knife & he returns the knife to
me. Then I ended up walking away
After Dean had left the area, Charlie
and I Continued to talk & Smoke Cigs.

I was never charge with threatening to do
harm to Dean with a knife in
government Courthouse basement.

I would Think, if Dean wanted to get
rid of me, he would have me in charge
back in 1991.

I think Dean enjoys the Attention he is
getting from me. It might Give him an
hard-on. Why, when I texted his self
he texted back. To me, I think he does
enjoy speaking or talking with me.

I did threaten the Governor of West Virginia at
same time As Lt. Blaine Patterson, to the Welch, WV Police
Department, before the Threat of Kidnapping a Kid
Near the Border of Md to cross over to another

(5)

State. Then I would wait to hear whom I took. Then Call someone to be the go between for the Parents & me. Ask for \$200,000 cash. Give \$6000.00 to Roommate for \$600.00 car + \$200.00 for Rent and Rest to pay his mortgage. Then I would give \$10,000 to the Person that would be the go between. I would have \$185,000.00 to look for Dean under cover and head to West Virginia to Kill the governor + Blow up FDC McDowell. Then Head with Patterson to the West Coast - Then Proceed to Honolulu. Patterson would be Kidnapped + held prisoner until I get back.

The kid would be release unharmed in Kansas City, Missouri to North Regional Director of BOP his Name is Mike Nalley.

One thing with Patterson - when I went to Marianna, Florida and was in a hearing. The Warden called to Dublin and I was able to speak with Patterson on the phone from Florida while he was in California. Blaine Birthdate is June 8, 1962 he went into the Marines CPOPS in 1980 and went the Reserves.

I want the FBI to Believe this as if did happen. I think a federal charge would be safer for every involved in these threats. If not, I will be able to go ahead with my plans. The state charge can also be served at the same time as the feds if there is an agreement.

Need to hear from Hutton AKA (Alexandria) Lee Forrest

The Following DRAWINGS are to be taken
seriously as there ARE going to be
IN Plan.

I already have got someone to
help me out when I will be
Starting my Plans.

No one knows except for me
and the others involved.

I will go looking for Dean First,
than take his vehicle to the Next
Person on my list. You don't have
the full list as it is in my mind.

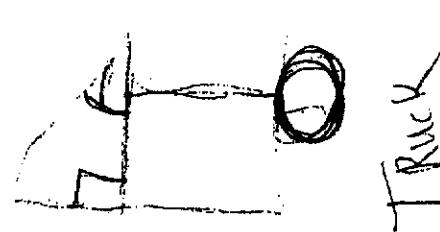

Writing to you has allowed me
to reduce Stress of Guilt for now.
I just have to get through the
Carver City Case which can give me
5 yrs by the charge. Plus Shakopee
is a campus. Think what I can do.

Also Remember in 1993, while I WAS
in Lexington, Ky. I was under investigation
for a missing child Bobby Joe Fritz.
A little boy Kidnapped from Fond du Lac City in
Wisconsin. BACK in Late 80's + Never Found.

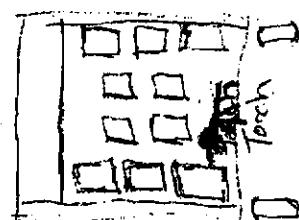

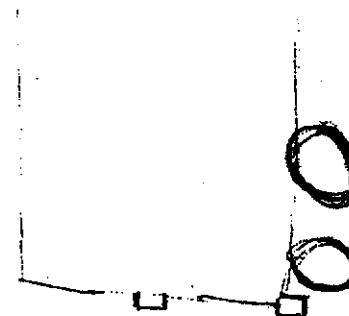

That I took A lie detector test in
Lexington, Ky - it came back inconclusive.^{SP?}
Could not tell if I WAS telling the truth
or lying.

IF I were you, I would take all
this information and think about it.
